MARSHALL E. CLOSE

IN MEMORIAM

The entire faculty and student body of Ohio Northern, the citizens of Ada, and his many friends everywhere mourn the sudden and untimely death of Professor Marshall E. D. Close on March 4, 1936. He was honored and respected by all.

Connected with the Pharmacy College, Professor Close gave his whole-hearted service toward the betterment of the school. He was a scholar, a true gentleman of noble character. These are tributes which will endear him in the memories of all who knew him.

E. VERGON SMITH

COLLEGE

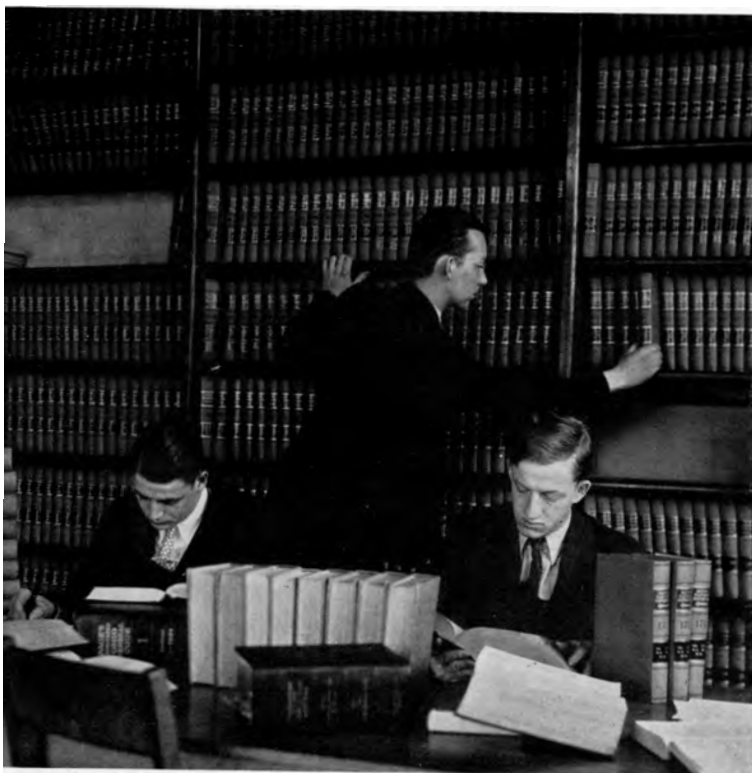

The College of Law at Ohio Northern is known everywhere for its success in training lawyers. Many prominent statesmen throughout this state and the nation are graduates of the law school.

Dean Pettit ably heads the faculty of the law college. He is assisted by Professor E. Vergon Smith, a graduate of Northern's College of Law, and Mr. Phelps, instructor in law. Mr. Phelps is a graduate of the University of Cincinnati.

Tracking the Polar Bears across and around the campus to one of their favorite lairs—the fraternity house, the sorority house. Here, by association and good fellowship, the cub (pledge) is taught how to conduct himself in collegiate liFe—trained to surmount the ice cliffs and cross the ice floes.

INTERFRATERNITY COUNCIL

The Men's Interfraternity Council acts as a connecting link between the ten Greek letter fraternities at Ohio Northern. A representative from each fraternity attends the monthly meetings for the purpose of discussing problems arising out of campus affairs or those affecting the groups themselves. The organization's chief aim is to bring the fraternities closer together as one working unit.

Several successful events were sponsored by the Council during the past year. Members assisted in preparation for home-coming and gave the annual football banquet on December 10, in honor of the football team. Coach Don Peden, Ohio University, was the speaker. Also the scholarship trophy was presented each quarter to the fraternity with the highest point average.

PAN-HELLENIC COUNCIL

The Pan-Hellenic Council of Ohio Northern is composed of two members from each sorority and their advisor, the dean of women. These leaders meet to discuss campus activities, scholarship and sorority problems.

The purpose of the organization is to promote friendly relations between the sororities and between sorority and non-sorority women.

Throughout the year Pan-Hellenic Council sponsors a series of programs, with the aim of stimulating interest in sorority life and activities. The council is the originator and sponsor of the annual College Day program. Also, each year it awards a scholarship tray to the sorority having the highest scholarship rating for the year.

The Press Club is an organization composed of those interested in journalism generally as well as those working on the student publications of Ohio Northern. The main part of the group embodies the staffs of the Northern Review student newspaper, and the yearbook.

The club meets bi-weekly and discusses the construction of the news story, particularly in connection with the Northern Review. This year the club has had one of the largest memberships since its Founding. The program has been extensive, featuring among the activities of the year several talks on journalism by men of repute in this line and a few tall story parties.

The officers for the past year were: Knowlton Pennell, president; Jack Levine, vice-president; Eleanor Baum, secretary, and James Davis, treasurer, Lawrence Freeman, faculty adviser.

Northern Players is comprised of those students taking an active part in the dramatic productions which are given at various times throughout the year. Membership in the group is gained when the applicant successfully demonstrates his qualifications for dramatics.

Three plays were presented by the club during the past year. The first production was "The Vulture", with Donald Karlskind and Ilavere Beynon playing the leading roles.

During the winter quarter Charles Dickens' "The Cricket on the Hearth" was produced; Howard Kennedy, Janet Crider, and Louis Burris were starred. The final play of the year was a comedy farce entitled "Doctor by Compulsion". Marie Roth and Ilavere Beynon shared the principal parts.

Officers of the club were: Marjorie Fleming, president; Louis Burris, vice-president; Margaret Long, secretary; and Gertrude Richardson, treasurer.

Seated—HOOPES, QUINN, MACEJKO, STAMBAUGH, BROWN, STEINER, PAISLEY, YOST.

The Toastmasters' Club is one of the newest organizations at Ohio Northern. It was founded last year by Eugene Mount along with fourteen other charter members. The purpose of the club is to advance speaking ability both in the extempore and the forum. **A** toastmaster and two speakers are appointed for each weekly meeting. Following a dinner the speeches are delivered, after which the remaining members of the club criticize the speakers and the toastmaster.

Membership in the club is confined to students enrolled in the two upper classes of the College of Law and is kept at the constant number of fifteen.

Eugene Mount was the chief toastmaster for the fall quarter; Anthony Celebrezze presided over the group during the winter quarter; and Harold Brown was the chief toastmaster for the spring quarter. Professor Phelps is the honorary member.

TOASTMASTERS' CLUB

Standing—Fox, Dietrich, Huston, Allegrone.
Seated—Dilliard, Vertino, Yee, DuPerow, Simons, Rutter, Upp, Karlkind.

The Engineers' Speaking Club is the latest contribution of the engineers of Ohio Northern to the extra-curricular campus activities. Founded in the fall of this year with the aim of developing the forensic abilities of engineers and of promoting a wider interest and greater understanding of non-engineering problems, this organization has distinguished itself by its practice of banning all technical subjects from discussion.

Membership is limited to fifteen upperclassmen. Meetings are held each Thursday evening at the Arbogast Hotel where a dinner is served, followed by a discussion. Donald Karlkind, Charles Simons, and Walter Huston each were elected to the sole office of the club—that of chief toastmaster.

Each speaker is permitted to deliver a speech, the subject of which is his own choosing, thus giving the members of the club the advantage of hearing a wide variety of talks.

The Chemists' Club of Ohio Northern was re-organized during the current year after several years of non-activity. This organization includes in its eligibility for membership all chemistry majors, thus reaching the maximum number of students. Meetings are held monthly.

The purpose of the club is to create and foster a better understanding of the chemical sciences and to advance the interest of its members in the various fields of chemistry. Technical papers on industrial and pure chemistry, prepared by members, are read and discussed at the meetings. Nationally known chemists are invited to address the club. An exhibit held in conjunction with the annual "High School Day" was the principal activity of the spring quarter.

Officers of the club were: Victor Wellman, president; Harold Sneddon, Vice-president; Geza Banesky, secretary-treasurer; Walter Lynn, reporter. Dr. Jesse R. Harrod, and Dr. Lewis E. Miller were the faculty advisers.

OHIO NORTHERN BAND

Ohio Northern University's band is composed of the finest musicians available on the campus, who work under the direction of Professor Robert Melcher in preparation for their activities. This year the group appeared at all home football and basketball games, besides giving two concerts during the spring.

Serious study of the music of highest caliber made these concerts fine performances, with the help of artistry in tone quality, interpretation and ensemble work.

An outstanding feature of the past year was the choosing of twelve Ohio Northern band members to play at Oberlin in the Inter-collegiate Band Festival. Three of the players received the coveted first chair positions in the band.

An alumni band was formed at Homecoming this year and met with such success that there is every indication of a continuation of the organization.

Unprecedented interest was shown in the band throughout the year, both in its concert playing and the marching activities at all athletic contests.

OHIO NORTHERN MEN'S

The Ohio Northern Men's Glee Club, composed of approximately thirty voices, is one of the most active student organizations on the campus. During the past year many concerts and programs have been presented, all of which met with great enthusiasm. It is the purpose of the club to combine the members into one vocal unit for the singing of choral numbers and also to train each individual's voice by gradual development.

Featured with the Glee Club is the male quartet, composed of James Miller, First tenor; James Middleton, second tenor; Jack Elzay, baritone and Philip Schlick, bass. These men made numerous appearances throughout the year, singing at schools, churches and clubs.

The Club presented a number of programs at alumni association meetings, and made several broadcasts.

Two of the outstanding events on the calendar of the Glee Club were the formal concert, given during the winter quarter, and the operetta, "Pirates of Penzance", presented in the spring. Both were given in conjunction with the Women's Glee Club.

The group did not lack in social activity, for a successful formal dance was presented in the winter quarter.

Officers for the organization were: Philip Schlick, president; James Miller, secretary-treasurer; James Middleton, business manager and student director, Philip Schlick, accompanist; Professor H. G. DeWeese, director.

The Girls' Glee Club, an organization of approximately thirty members, carried out an active and interesting program this year. The main object of the club is to interest students in classical music and to train voices for choral work.

Miss Harriet Ledger, director of the club, tried this year to develop the group along more informal and social lines than has been the case in the past. Two dances and a benefit bridge were sponsored by the club, all of them proving to be highly enjoyable affairs.

A formal concert was presented with the Men's Glee Club during the winter quarter.

The club climaxed its activities for the year with "Pirates of Penzance", a Gilbert and Sullivan operetta. This, also, was given in conjunction with the Men's Glee Club.

The girls' trio composed of Bernice Warner, first soprano, Chloie Warner, second soprano and Margaret Shambaugh, alto, took a leading part in the activities of the club. The trio appeared at many clubs, churches and meetings, including a broadcast from station WHIO, Dayton.

Officers for the year were Lucille Gant, business manager; Isabel Motter, secretary and treasurer; Doris McClellan, publicity director; Janet Crider, accompanist; Lucille Gant, student director and Miss Harriet Ledger, director.

The University Orchestra has for its objective the mastering of the classical works of the symphonic music writers. Through constant practice the group has developed into an experienced playing unit. The orchestra made public appearances this year at the concert, in chapel, and accompanied the two glee clubs in the presentation of an operetta. It also played between acts at all dramatic productions and at several receptions.

A new venture for the orchestra this year was the presentation of a concerto in which Janet Crider played the piano solo part to Mendelssohn's "Concerto in G. Minor", while the orchestra played the accompaniment. This was received with approval on all sides.

Miss Harriet Ledger was the concert master and Professor Robert Melcher, the director.

The Ohio Northern University Pharmaceutical Association is an organization open to all the students registered in the College of Pharmacy. The purpose of the O. N. U. P. A. is to keep the students posted on the latest developments in pharmacy and to encourage constructive work in these lines.

It is interesting to note that this year the ever-increasing classes of pharmacy students have eight women enrolled, five of whom belong to this organization. This is the largest number since the club was founded in 1905.

Every year O. N. U. P. A. sponsors Open House for several days, during which the laboratories and exhibits are explained to those interested. This year one of the outstanding events was the two-day trip to Detroit as guests of the Parke-Davis Medical Supply Company.

The officers for the past year were John Kobis, president; Louis Burris, vice-president; Morris Greenstein, secretary-treasurer; Dean R. H. Raabe, the permanent president.

The efforts of the Y. M. C. A. have been directed toward continuing the activities of the Hi-Y clubs and becoming an organization of real merit on the campus. Some of the aims of fellowship are aiding the local churches, promoting growth in Christian character, and upholding the ideals of Body, Mind, and Spirit.

Prominent in the activities of the club were the program; built around "Representative Men of the Campus". The group jointly sponsored with the Y. W. C. A. a Big-Brother, Little-Sister hike for the new students in the fall quarter. Leadership in the spiritual field was assumed by sending the Gospel Team on trips to churches within a seventy-mile radius.

Officers For the year were Boice Doughty, president; James Middleton, vice-president; Walter Lynn, secretary-treasurer; Charles Bailey, social chairman; Stanley Fender, advertising manager; Dean J. A. Potter, faculty adviser.

The Y. W. C. A., which meets every Wednesday evening throughout the school year, is one of the most active and interesting organizations on the campus. Over fifty percent of the women students held active, paid memberships during the past year. The purpose of the club is to realize for each member a full and creative life. This year a varied program was carried out, comprising musical and literary numbers and discussions of current and social affairs.

During the year delegations journeyed to Bluffton to hear Talitha Gerlach; to Kent, to attend the state Y. W. C. A. conference; and to the regional convention at Lake Geneva, Wisconsin. Interesting projects undertaken each year include the Big Sister program, the Christmas bazaar, and the Sunset Supper.

The officers for this year were Gertrude Richardson, president; Isabel Motter, vice-president; Carmen Otero, secretary; Gwen Davies, treasurer; Miss Wilder, faculty adviser.

The Engineers' Executive Committee is the governing factor of the engineering activities of the campus. The committee is composed of one representative from each of the four engineering societies. This year the members were Charles Simons, president; Frank Randall, vice-president; Lloyd Fowler, secretary; Jane Cedarquist, treasurer. This is a unique group with the presence of a girl member. Dean Needy is the ex-officio chairman of this board.

The main purpose of the group is to take the leadership in engineering work on the campus and to promote a greater interest in the science of engineering. Under the guidance of the committee, the four societies of engineering are drawn closer together, enabling them to work better for the College as a whole. The committee arranges and conducts the activities of Engineers' Week, one of the most outstanding events at Ohio Northern.

The Ohio Northern chapter of the American Institute of Electrical Engineers, organized on this campus in 1912, is the oldest student chapter in Ohio. The A. I. E. E. is a professional organization which encourages the formation of electrical discussion groups.

Among the various projects undertaken during the past year were trips to the Bell Telephone Company, the Cleveland Electric Illuminating, and General Electric headquarters, in Cleveland. Lloyd Fowler, president of the group, represented the local chapter at the society's national convention.

The officers of the organization for this year are Lloyd Fowler, president; Glenn Griffith, vice-president; Paul Evans, secretary; Wolford Hughes, treasurer; and Professor Ivor Campbell, faculty adviser.

The Ohio Northern student chapter of the American Society of Civil Engineers participated actively in engineering and campus activities during the past year. This organization cooperated with other engineering groups, sponsoring a smoker in the fall quarter and helped with the arrangement of the Engineers' Ball, the foremost social activity of the engineering school.

Two trips were taken by the group, one in the fall to Zanesville and the other in the spring to Columbus for the attending of district conclaves of the national organization and to make various tours of inspection.

Meetings are held bi-weekly, at which time a discussion of engineering problems takes place. Officers for the year were Frank Randall, president; Jack Schnierle, vice-president; Charles Allegrone, secretary; Albert Vertino, treasurer. Professor Alexander R. Webb is the faculty adviser.

The Ohio Northern chapter of the American Society of Mechanical Engineers is a technical group, open to all students enrolled in the department of mechanical engineering. The society meets semi-monthly for the reading and consideration of papers on engineering activities, which are prepared by the individual members.

Organized on the campus in 1920, the local branch of A. S. M. E. has since been one of the most active of the engineering groups in developing and maintaining an interest in the problems of the mechanical engineer. Inspection trips are planned and carried out constantly, so that the student may better understand his profession.

The Ohio Northern branch is now a member of the Allegheny Regional Student Conference. This year a delegation was sent to Washington, D. C., where the regional conference was held.

The officers of the society for the past year were: Charles Simons, president; Walter Huston, vice-president; William Blazek, secretary; Leonard Lehtonen, treasurer; and Dean J. A. Needy, honorary chairman.

The O. N. U. Society of Chemical Engineers meets bi-weekly throughout the school year for the purpose of promoting interest in the various problems which arise in the field of chemistry.

At the meetings papers relating to chemical engineering and metallurgical subjects are read and discussed. The papers are prepared by the individual members of the club. All students of chemical engineering are eligible to membership in the society.

Each year the organization selects some special phase of chemistry as its objective for that year. The project for the current year has been Chemical Education. The society's main purpose is to train the student for future activity in National Society affairs. This is accomplished through the study of those papers which are submitted and discussed by the group.

Officers of the society are: Paul Dilliard, president; Robert Armstrong, vice-president; Jane Cedarquist, secretary-treasurer; Dr. Jesse R. Harrod, faculty adviser.

Ohio Northern University was again represented by seven co-eds in the Ohio Intercollegiate Women's Debate Conference. The affirmative team was composed of IlqVere Beynon, Helen Hardin and Fay Burr, while the negative team consisted of Helen Shirey, Catherine Clark and Eleanor Baum, with Mary Stansel acting as alternate. The proposition debated by all teams in the conference was: Resolved, "That the Parole System as Administered is Detrimental to the Best Interests of Criminal Control in the United States."

Teams were met from other Ohio and Indiana universities by our debate team in unjudged debates. To conclude the season a debate tournament was held at Capital University, in which the Ohio Northern squads placed second in the conference, being defeated by Kent State.

With the entire team returning next year, a highly successful season is contemplated. Professor Cliffe Deming, of the speech and dramatics department, is the coach.

them

Something new in the way of debating activity was introduced on the campus of Ohio Northern this year. It was the Interfraternity Debate Tournament. This forensic competition was formed with the purpose of supplanting the Men's Debate team. By allowing each fraternity to enter a team, it was made possible for more men to take part than formerly.

The championship was won by the Theta Nu Epsilon fraternity, the team consisting of Eugene Mount and Anthony Celebrezze. They defeated the Alpha Epsilon Pi team of Jerome Metzel and Ralph Schwartz. The finals were held in Chapel in the fall quarter following the elimination series. The question for debate was: Resolved, "That the Supreme Court Should be Deprived of its Power to Declare Acts of Congress Unconstitutional."

The members of the winning team, Eugene Mount and Anthony Celebrezze, are both graduating seniors in the College of Law. The tournament was held under the direction of Professor Cliffe Deming, of the speech department.

The Association of Women Students was organized in 1929 for the purpose of encouraging the cooperation of the women students of Ohio Northern in the planning and preparation of social activities. By a varied program of events, it is the aim of the organization to round out the social life of the members.

During the past year A. W. S. has sponsored the Co-ed Formal Dinner, Freshman Week, the Co-ed Formal dance, the Senior Breakfast and the Alumnae Luncheon. The proceeds from the Registration Day dances and the student-faculty program were used for the up-keep of Alumnae Hall and current expenses.

Officers for the year were: Alice Neiswander, president; Lucile Gant, vice-president; Aileen Morral, secretary; and Catherine Clark, treasurer. Miss Wilder is the faculty adviser.

The Legislative Board and House Council are representative divisions of the Association of Women Students, organized to aid in the governmental policies as outlined in the constitution of the association. To them are presented the major problems involving the interest of all the women of the university. They also consider the plans of the various house programs in an effort to formulate and encourage the most valuable activities.

By the representation of each woman's activity group, the organizations can cooperate to strengthen their programs and prevent any repetition.

The Legislative Board is composed of the officers of the A. W. S., the president of Y. W. C. A., the president of W. A. A., the president of Pan-Hellenic Council, and the representatives of the four classes. The House Council consists of the house presidents and the representatives of the town and scattered groups of women.

INDEX TO THE WHO'S, WHAT'S, AND WHY'S OF STARRING PERSONALITIES

1

Bill Yost is one of those fellows you can't help liking. He acquires friends wherever he goes. Bill hails from Massillon, gets his L.L.B. this June, is a member and former president of Sigma Phi Epsilon fraternity, a member of Delta Theta Phi fraternity and belongs to the Toastmasters' Club. He came to Northern from Ohio Wesleyan.

2

A smile for everyone—that's Catherine Clark. Ever since she came here from Toledo as a freshman last year, Kate has made herself well-known on the campus. She is a member of Theta Phi Delta sorority and plays in almost any women's sport you can name, being a member of the executive council of the W. A. A.

3

Chet Cullen is the real collegiate type—the kind you read about in the stories. Likes any form of athletics, is a Physical Ed. major, and is quite a star in the intramural basketball and baseball leagues, playing under the colors of Theta Nu Epsilon fraternity. Chet can be seen riding about in that convertible Model-T Ford.

4

Johnny Berger is a senior in the College of Law and comes to us from Crestline. At one time he was a gridder on Northern's team. Is a member of Sigma Delta Kappa fraternity, vice-president of the senior class and a singer in the glee club. John has a winning personality and will no doubt be heard from in the political world.

5

Bob Miller is well-liked by everyone he meets on the campus. A junior in the College of Pharmacy and a member of Kappa Psi fraternity. Bob is a fencer of no mean ability and fights for Northern's cause on the fencing team. He always greets you with that inimitable grin.

6

Merrill Devoe has interests along two lines—journalism and music. He is editor of the Northern Review this year and has shown his ability in newspaper work ever since he came to Northern. Also Merrill likes to play in dance bands. He is a junior in the arts college and comes from Lima.

7

Sally Brown is the only woman student in law school. Graduates this June. She took her arts work at University of Cincinnati before coming to Northern. Was president of Theta Phi Delta sorority during the past year. Her home is in Greenfield.

8

Helen Miller is one of the most popular co-eds at Northern. She has a pleasing way about her that makes friends fast. Helen is a two-year graduate in education. She likes to dance and is interested in almost any form of sports.

9

Charles Allegrone is an Easterner, coming from Pittsfield, Mass. He is a junior engineer, vice-president of the junior class this year, and a member of Theta Kappa Phi fraternity. He is known about the campus for his friendliness and joviality.

INDEX TO THE WHO'S, WHAT'S AND WHY'S OF STARRING PERSONALITIES

1

Esther Topliff is another two-year education student. She has a generous smile for everyone and a very pleasing way about her. Comes from Marion and is interested in publications, editing the high school annual at Marion, then, worked on "The Northern" during her two years here. Also interested in women's sports.

2

Kay Rosencrans is a senior in the liberal arts college and hails from New Carlisle. She came to Northern from Miami last year. Is a member of Chi Omega sorority and a Phi Chi on this campus. Likes to read good stories, with no particular author as a favorite, and claims dancing as her pastime.

3

Joe Marmon lives in Lima and is enrolled in the Pharmacy College. A member of Sigma Phi Epsilon fraternity, Joe takes an active part in campus activities. Makes friends easily. Is known by almost everyone at Northern. Likes to listen to nationally-known bands.

4

Howard Novasel is a Cleveland Heights product. He gets things done and does them well. Plays on the varsity basketball team and has promises of making a star. Belongs to Alpha Epsilon Pi fraternity and is a sophomore in liberal arts.

5

You all know Fred Steiner—with his rollicking laugh and constant good-natured air. Freddie is a pre-med student and hopes to be a renowned doctor some day. He is a member of Delta Sigma Phi fraternity and is a columnist of note.

6

Walter "Pete" Huston is very active in campus affairs. He lives in Napoleon and is a senior in the engineering college. Pete belongs to Phi Mu Delta fraternity, is president of the senior class, chief toastmaster of Engineers Speaking Club and a member of Nu Theta Kappa, honorary engineering fraternity.

7

One of Northern's most able athletes is Jim Brentlinger. You've seen him make spectacular, open-field runs in football and brilliant floor plays in basketball. Jim comes from Lima, is a member of Sigma Pi Fraternity and a junior in liberal arts.

8

Dick Taylor is another man from the East. His home is in Schenectady, N. Y. Is well-known about the campus, having the ability to make contacts easily. Dick is a Phi Mu Delta, likes to play in intramural sports, and is a junior in the arts college.

9

George Burrey is one of Northern's most consistent ground-gainers on the gridiron. Many of those victories came as a result of his ability and power in the backfield. George is a member of Sigma Phi Epsilon fraternity, champion heavyweight boxer at Northern, and a member of the junior class.

CLYDE LAMB

Athletic Director

Northern's director of athletics is a graduate of Coe College. During his collegiate career he played basketball, was a three-letter man in track, and a member of the mile relay team that held the Mid-Western Conference record for ten years.

He came to Northern in the fall of 1929 after having completed his Master's Degree at Columbia. Clyde has been acting as assistant coach to his brother Harris on the Athletic teams of the university but expects to concentrate on Physical Education when the new assistant Coach from Heidelberg begins his work.

CLYDE LAMB

HARRIS LAMB

HARRIS LAMB

Head Coach

The head coach of varsity sports at Northern is also a graduate of Coe College, where he was a four-letter man in basketball, a member of the mid-Western all-conference team for four consecutive years and an outstanding grid star. Harris received his masters degree with his brother Clyde and came to Northern at the same time. His amiable personality and tact in handling athletes aided no little in making that unbeaten, unscored upon season of 1934 possible.

Ohio Northern opened their 1935 season by defeating Ashland university in a night game at Ashland, 27-0.

The Polar Bear eleven displayed the same staunch, solid defense that characterized their play throughout the '34 season, with Robinson and Niewiadomi, sophomore stars, giving a brilliant exhibition of open field running.

The victory was a costly one, however, as Harmon, veteran end, and Niewiadomi, received injuries which put them out of action for practically the entire season.

Coach Lamb took his Orange and Black warriors down to Columbus where they easily took the measure of a highly rated Capital university eleven by a 13-0 score. The entire squad played splendidly and another shutout victory was added to the record.

A capacity crowd turned out to welcome the Bears upon their return for the annual homecoming game against Bowling Green. The varsity gave the Alumni a fitting exhibition of their power by crushing a disorganized B. G. team by the one-sided score of 54-0.

On the following Saturday, the Bears played at Tiffin, where an inspired Heidelberg grid squad smashed the varsity's spotless defensive record and held them to a 6-6 tie.

In this game Northern lost the services of Robinson, their Ohio Conference back-field ace, who received a concussion of the brain in a running play.

Northern

Following the Heidelberg upset, Northern traveled to Detroit, where every man on the squad helped in handing Detroit Tech. a grid lesson by a 18-6 score. A misdirected pass followed by a 90 yard sprint was responsible for the Tech. score.

A big red team from Wittenberg had the honor of being the first eleven to decisively whip the Bears since the Colgate defeat in 1933.

The Lutherans came from behind in the second quarter of the annual Dad's Day game to push the Bears back on their heels, and although the Northern gridders launched a last period rally, the Red Men countered with a rally of their own and walked off the field with a 21-12 advantage.

Mt. Union, the conference champions, was the second team to take the measure of the Bears in a splendid grid battle at Alliance, by a score of 13-6.

After the game the Mt. Union players admitted that Northern was the toughest team that they had played against all season.

The final game, against Denison, at Ada, found the Bears weakened from injuries and the strain of a hard schedule, and the visiting eleven added the third and last defeat to Northern's 1935 record by a 27-13 score.

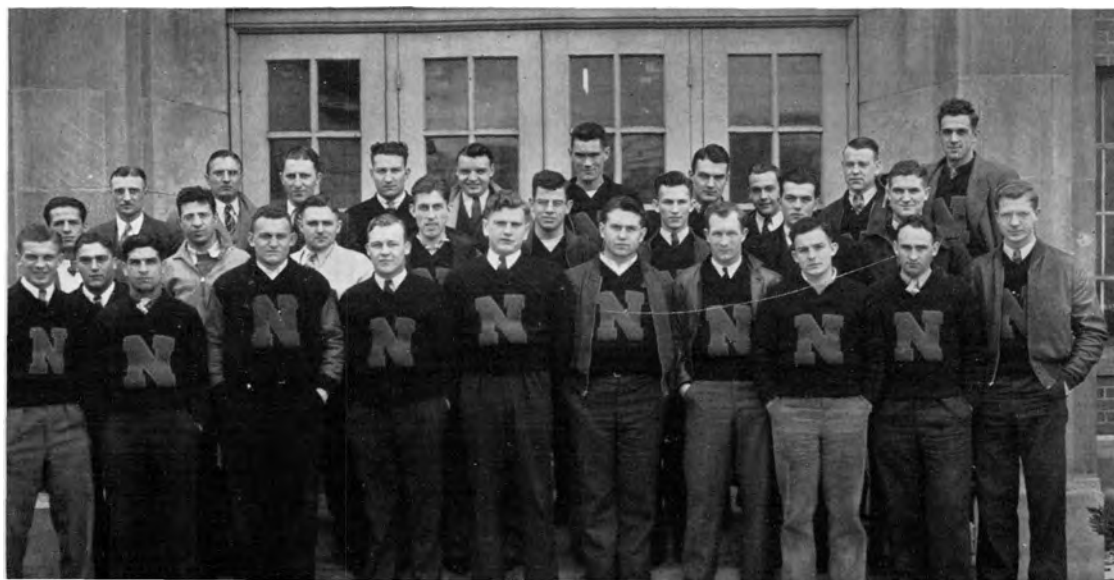

The defeat was due more to Northern's misplays than the fine playing of the Denison team, as fumbles and bad passes ruined many scoring chances.

In the backfield, Northern possessed a finely-balanced group of ball carriers with Al Robinson the individual star of the squad. Al, who stepped into a varsity berth directly from the freshman team, proved to be the sensation of the year, with his wild spectacular dashes becoming a common occurrence to Northern fans. The Turtle Creek, Pa., speedster was placed on the United Press All-Ohio team and was among the first ten leading scorers in the state.

Supporting Robinson were Burrey, the reliable line-plunging battering ram, Blose, deadly blocking shark, and Bailey, 150 lbs. of springing speed. Brentlinger, last year's broken field runner and Niewiadomi, sophomore star, were hampered all season by injuries and saw very little action.

In the line, Nemic was a tower of strength at center, with Parish and Cavault flanking him with a stone-wall defense at the guard positions. Virgil Murphy, named on the United Press first team, and Gustin, performed the difficult task of filling the tackle positions vacated by Knoblauch and Ayres last year. "Lefty" Murphy, who took Harmon's place after the latter's injury in the opening game incapacitated him for the remainder of the season, played brilliantly with Coniam at the end position.

The entire second team deserves a wealth of credit for the manner in which they filled in for the varsity members and made them fight for their positions, thereby improving the team's morale and improving the efficiency of the entire squad. In the backfield, Arrotta, and Ratcliffe were particularly outstanding in relieving the first string backs. The lightweight Italian youth from Newburg, New York, made many a gain with his tricky, open field sprints, and the tremendous weight advantage of Ratcliffe made itself felt in the opposing line when the precious yards were needed. Schnierle, Schahet, and Gatto, also contributed their share and received the necessary experience which will make them dangerous contenders for first string positions next fall.

In the line, Jackson and Smith saw service at the end positions and made Murphy and Coniam fight to hold their own. At the tackle positions, Ash and Zingrebe performed capably in lightening the burden of V. Murphy and Gustin. Owens, Bowers, and Redmond forced Parish and Cavault to the limit in a battle of guards, and the rangy, scrappy center play of Faber brought out the best in Nemic.

FRESHMEN FOOTBALL

Coach Clyde Lamb had a very promising Frosh squad last fall. With these men added to the varsity squad, next year's team should go places. There are no members of the varsity graduating this spring, which means that everything points toward a very outstanding season. Approximately thirty freshmen made up the squad which worked under the direction of Coach Lamb.

The most promising material was found in the following: Bill Augur, center from Kenton; Eldon Burgess, Bellevue halfback; Jack Ehlen, a fullback from Kenton; Harry Kane, Loraine halfback, Joe Mallone, Geneva fullback; Herb McAdams, tackle from Bellefontaine; Pat Howison, Marion halfback; Raymond Pratt, Bellefontaine, end, Bob Reich, guard from Berea, Bob Schultz, Wooster halfback; Herb Trattner, center and tackle from Cleveland Heights, and Bill Siverling, Salamanica, N. Y.

These freshmen have shown the varsity plenty of competition and are expected to greatly determine the success of the varsity next year.

BASKETBALL

Nine men of the Northern squad saw action in the opening game of the season as the Polar Bears went down in defeat at the hands of the Bluffton quintet by a 35-33 score. The game was closely fought throughout, with a Bear rally falling short in the last few minutes. Brentlinger was high scorer for Northern with 11 points.

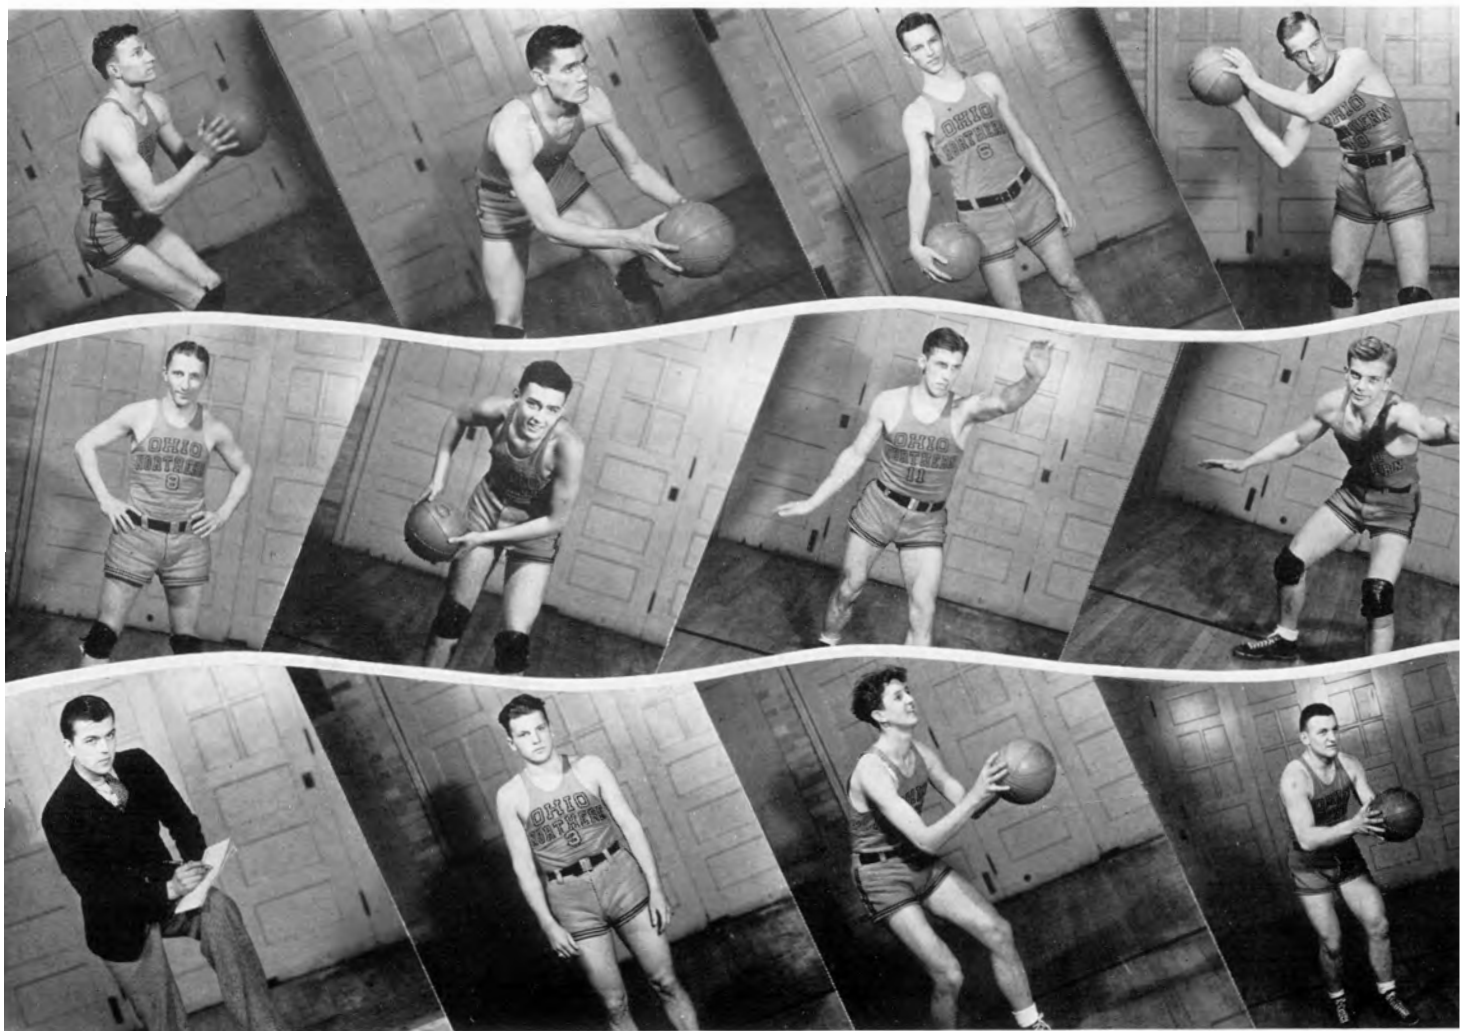

The Northern five traveled to Findley For its second game of the season and were trampled under a 51-32 set-back. The defensive play of the Bear was noticeably ragged although Findlay's forwards had no difficulty in scoring at long range. Ashland was Northern's host at the high school gym and had the honor of handing the Bears their third straight defeat of the current campaign, 42-34, Both teams were unusually accurate from the foul line, scoring 24 out of 31 tries. Northern's first string guards played a splendid game. Brentlinger was high scorer again with 13 points, and Stump added 11 to the Bears' score.

Northern's courtmen Finally broke their losing streak when they defeated Heidelberg, at Tiffin, 47-33, but the Bears followed that victory with an unbroken string of seven straight defeats, finishing each game on the losing end against Capital, Bowling Green, Heidelberg, Wittenberg, Capital again, Otterbein and Muskingum. Four of these defeats were nip and tuck battles with the winning points being scored in the last few seconds of play.

In the first of these defeats, a highly-rated Capital team just barely managed to nose out a fighting Bear quintet, 46-42. Bowling Green provided the heart-breaker of the season when Weber, lanky forward, scored the winning basket from the middle of the floor at the sound of the gun ending the game. Wittenberg provided the other "tough" one when they stopped the Bears with a 42-41 defeat.

Otterbein just managed to hold off a Northern rally long enough to win, 43-40. In their twelfth game, the Bears staged a comeback to defeat Bowling Green in the return game, 38-30, for their second win of the season and added their third victory at the expense of the Findlay five in a wild scoring game, 56-50. The Northern quintet concluded the 1935-36 season in defeat when it bowed to Bluffton again by a score of 66-43.

The season, as a whole, was not a brilliant or successful one, but toward the latter part of the schedule, a noticeable improvement was evident in the work of the Bear quintet.

In contrast to the slipshod, erratic and uncoordinated efforts of the squad in early season play, the last few games found a fast-breaking, smooth-working combination fighting for every point and giving promise of a splendid court machine in the future.

"Pat" Greenstein, veteran Orange and Black forward, is the only regular to graduate this year. Coach Harris Lamb was exceptionally well-pleased with the vast amount of improvement shown by his squad and feels quite confident that with Blose, Brentlinger, Faber, Stump, Harmon, Niewiadomi, Jackson, Novassel, and the new additions from the freshman squad, Northern will wage a successful fight in conference competition next winter.

FRESHMEN BASKETBALL

Forty candidates answered Coach Clyde Lamb's call for frosh basketball, and after a few preliminary practice sessions the annual weeding out process began, in which the squad was cut to twelve men.

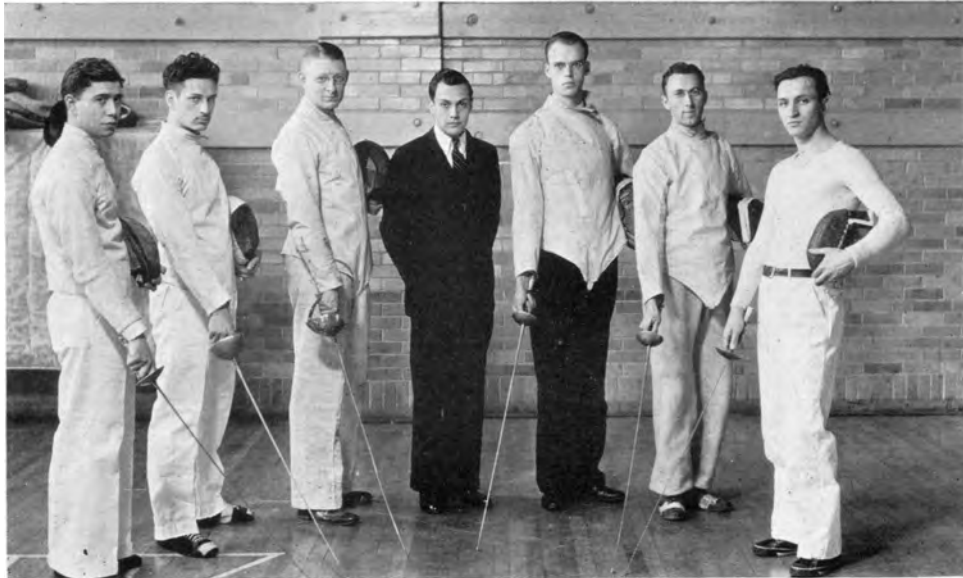

The picked squad was drilled in the fundamentals of basketball play, and acquainted with the court system used by the varsity.

The remainder of the season was spent in providing competition for the varsity in the daily practice scrimmages.

This year's squad of first year men was one of the finest ever turned out at Northern. Brewer, Schultz, Pratt, Teeters and Malone were outstanding, and will probably see action in varsity berths next year.

Northern opened the 1936 fencing season by sustaining a 13-4 defeat at the hands of Ohio State. In the second match against the University of Cincinnati, Captain Jack Rutter and his cohorts put on one of the finest exhibitions of the year in holding the strong Bearcats to a 10-7 score.

In the next bout Wittenberg managed to tie an improved Northern squad by a 5-5 score. Buffalo was next on the schedule, taking the measure of the Bears in another close match, 10-7, and Wayne University defeated Northern, 13-4.

Three veterans, Captain Jack Rutter, Wolfgang Huebner, and Lane Brown, concluded their intercollegiate careers in the final match of the year against Western Reserve, in which the Cleveland school emerged triumphant, by a score of 11-6. Major Cliffe Deming was the coach.

Left to right— L. BROWN, McCONNELL, ELZAY, COLE.

Inclement weather conditions hampered Northern's varsity tennis squad throughout the 1935 season, and forced the Polar Bear racket wielders to confine the majority of their scheduled meets to practice sessions.

Considering the small amount of practice preparation which the squad had the season could not be considered a total failure, as Coach Lamb uncovered a considerable amount of talent, which he believes will provide stiff competition during the 1936 season.

The squad participated in six matches during the short season, playing two each with Bowling Green, Bluffton, and Findlay, and were defeated in all of them.

The following players received varsity letters: Jack Elzay, William McConnell, Lane Brown, Mac Cole, and Milan Baker.

For the second year in succession the Sigma Delta Kappa team, composed of Sam Karam and Theodore Macejko, captured the handball championship when they defeated the Theta Kappa Phi team of Kubasak and Conley in the final two game match by scores of 21-8, and 21-11.

HORSESHOES

The horseshoe championship for 1935 was won by Bowers and Kubasak of the Theta Kappa Phi fraternity. The Phi M u Delta team, represented by Holmes and Bales, concluded the regular season in a tie for first place with the Theta Kaps, but were defeated in the play-off matches by scores of 25-23, 25-22.

INTRAMURAL BASKETBALL

The Theta Kappa Phi team won the intramural basketball championship when they defeated the Delta Sigma Phi quintet in the finals of the league schedule. The Sigma Pi fraternity ranked third. Each game was closely fought with numerous upsets featuring the season's play.

BOXING - WRESTLING

The boxing and wrestling show, which is an annual feature of the intramural sport program, found many new champions crowned. In wrestling Tony Bowers of the Theta Kappa Phi fraternity won a decision over Cattell, Sig Pi, for the championship in the 155-165 class. In the light-heavy-weight division, Leon Parish, T. N. E., defeated Charles Redmond, T. N. E., for the title, and Gordon Gustin nosed out Knoblauch for the heavyweight championship.

In boxing, Kubasak, Theta Kap, scored a technical knockout over Tony Celebreeze in the second round to win the 135-145 pound title. Kayo Niewiadomi, state amateur champion, and Theta Kap member, defeated Johnny Owens in the 145-155 pound final. Bowers, Theta Kap, received the edge over Steve Shay, Sig Ep, for the 155-165 pound title, and Virgil Murphy, Sig Ep, outboxed Ratcliffe in the the light heavyweight final for the championship.

The W. A. A. Executive council is the governing board of the Women's Athletic Association. The officers are elected by the association members. The heads of sports are appointed by the officers according to their athletic achievements in the particular sport and their ability to stimulate and promote interest in the sport.

The council conducts the general business of the association, regulates all disbursements of the club treasury, draws up rules governing contests, and awards honors.

Officers for the year were: Adelaide Sawyer, president; Lucile Weber, vice-president; Eleanor Winegardner, secretary; Jane Cedarquist, treasurer; Eleanor Baum, social chairman and Miss Tolf, faculty adviser.

The Women's Athletic Association of Ohio Northern cooperates with the women's department of physical education in promoting interest in sports and gymnastic activities. It is the purpose to create physical efficiency, athletic accomplishment, scholarship and good sportsmanship. All women registered in the university are eligible for membership.

In addition to conducting numerous athletic tournaments during the year, the W. A. A. is also responsible for several important social events. During the fall quarter high school seniors are entertained at a Play Day. At the close of the football season the girls give an informal dance in favor of the football men. The program closes with the W. A. A. Revue in the spring.

A comparatively new sport for the girls at Northern, but one in which great interest is being shown is fencing. Its practice cultivates a graceful carriage, and aids agility and muscular control.

This year there were only two veteran members, Baum and Mitchell, the others taking up the art for the first time. Although no outside teams were met, the squad under the capable instruction of Jack Rutter, varsity fencing captain, is now more thoroughly organized and is planning several outside meets for next year with those universities which have co-ed fencing teams.

The squad consisted of the following girls: Eleanor Baum, Marie Roth, Bette Moesta, Jane Cedarquist, Dorothy Mitchell, Margaret Slesman, Catherine Ferguson, and Adelaide Sawyer.

Many Northern coeds participated in the sport of hockey this year. Several teams, formed within the physical education department, competed against each other. No season captain was elected but each team selected a captain for the game on a particular day. At the conclusion of the series of games, all teams had an equal number of wins and losses.

Hockey is such a strenuous sport that only the girls with the best health records are permitted to participate. Next year the athletic association hopes to organize campus hockey teams for the purpose of holding intramurals.

Sponsored by W. A. A., Open Road is a hiking club with a membership of approximately twenty coeds. Members leave the campus in a group each Tuesday evening for a hike several miles into the country, cook their supper over a camp fire and then return. Points toward W. A. A. awards are given for membership in the club. Guinevere Lanning acted as captain of Open Road for the year.

BOWLING - PING PONG

Bowling is another sport which is new at Northern, but one in which the coeds have shown considerable interest. W. A. A. conducted a bowling tournament with twenty-three girls entering. Winning honors went to Alice Cleland.

A ping-pong tournament was conducted this year during the winter quarter. After eliminating thirty other entrants, Ruth Heinlen emerged victorious.

ARCHERY

In recent years the favorite sport of Northern girls has been archery. The university provides all equipment for the use of women who come out for the team. This year over sixty girls were registered for training in archery. Instruction is given by Miss Tolf, director of physical education.

At the close of the fall quarter all archers were required to enter a contest, with all those shooting above 100 points going to the finals. Four girls—Guinevere Lanning, Esther Topliff, Eleanor Baum and Edith Ireland—were successful in reaching the finals.

PLAY DAY

At the invitation of W. A. A. over 300 high school girls were guests on the campus at Play Day. Northern coeds acted as leaders and hostesses, providing sport contests and tours of the campus. In the afternoon all guests attended a Northern football game.

Volleyball is one of the highlights of Northern's coed intramural sport program. Competition in this sport is more keen than in any other. Nine campus teams had entries this year with almost every girl in the university a member of one of the teams.

In the round robin tournament the town team and Theta team, repeating last year's occurrence, met in the semi-finals. Both teams were evenly matched, but in a fast battle the Thetas took two games out of three to win the intramural championship.

All teams were well chosen and played in excellent form. The outcome of the season was not evident until the final game was over.

SCENE
FROM THE
JUNIOR PROM
ON DECEMBER 14.

The formal social season opened with the Junior Prom on Saturday, December 14. Nearly 150 couples danced to the strains of Maurice Spitalny and his music, a nationally-known N. B. C. orchestra. The grand march featured Ohio Northern's marching song. Decorations for Taft gymnasium were celestial—white stars with blue streamers.

LOVELY TO LOOK AT, DELIGHTFUL TO KNOW

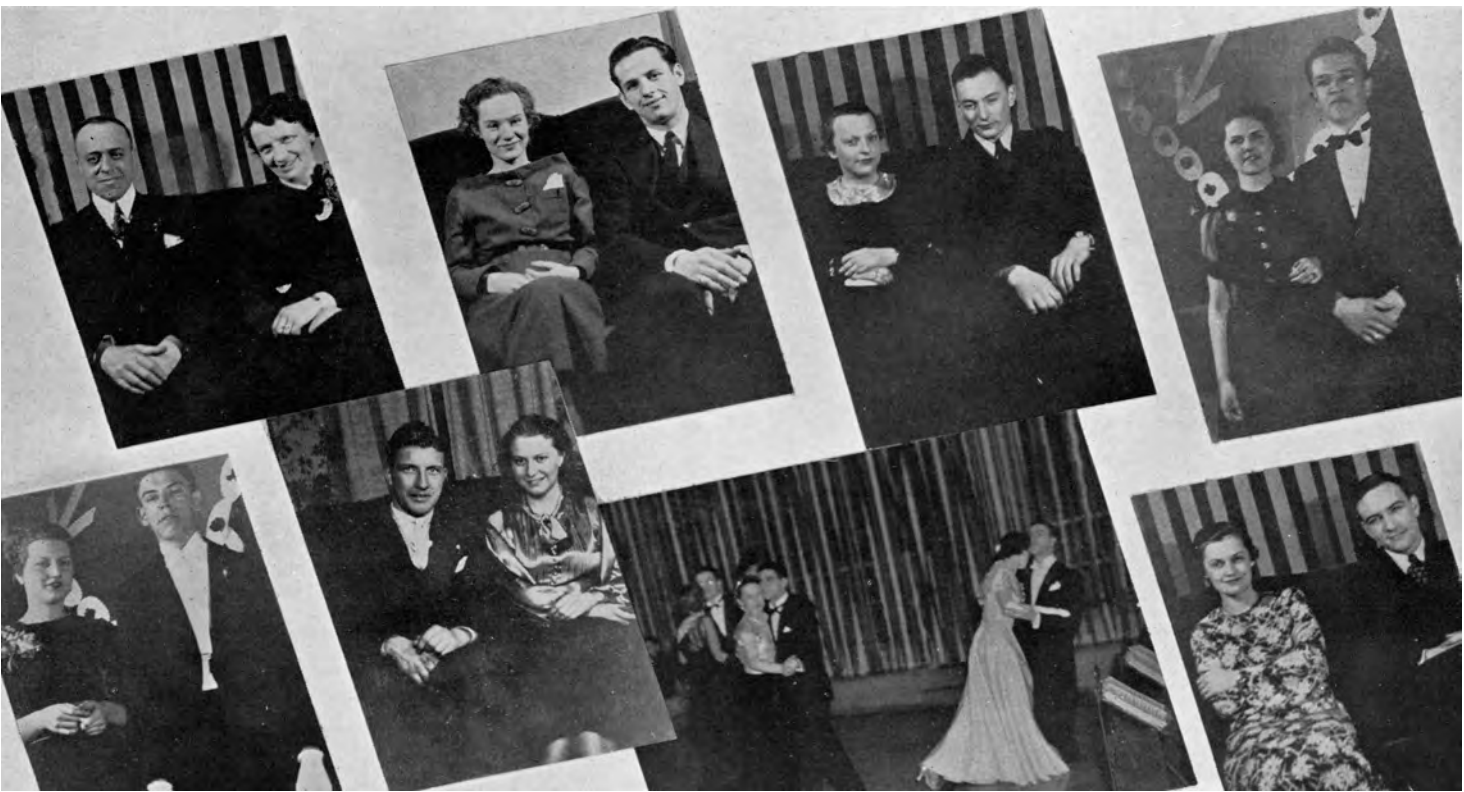

Social affairs at Ohio Northern have been varied and gay during the past year. The calendar reveals a complete series of successful dances.

Following the Christmas holidays came the annual function of the campus musicians—the band formal in January 17. The Phi Chi's staged the first of the winter formal dances on January 25, with Jimmy Baker and his orchestra offering the music.

Novel decorations aided in putting over the Barristers' Ball on February 1. Jimmy Cookens and his band played for this formal dance. The next week-end came another sorority dance—the Theta Phi Delta winter formal on February 7. Jimmy Cookens also played the music for this affair.

At the top, *left to right*—Dean and Mrs. John Needy at the Engineers' dance, Marjorie Conrad and Bill Struna at a Theta Kaphouse dance, Sally Flenniken and Paul Freund at the Engineers' dance, Bobby Morral and Tommy Smull at the A. W. S. formal.

A couple meets the chaperones at the Junior Prom. Left to right—Mrs. Close, Mrs. Lamb, Coach Lamb, Lawrence Freeman, Frances Cox, and William Hoopes.

One of the outstanding dances of the year was the A. W. S. formal, held in Taft gymnasium on February 8. This was a valentine dance with decorations in keeping with the occasion. Huge hearts, pierced by arrows, appeared along each side, with streamers leading to the hearts.

Another delightful event was the Sigma Phi Epsilon winter formal on February 15. Frankie Schenk and his orchestra from Lima played for this dance. The Engineers' dance, principal social event of the College of Engineering, followed the next week-end on February 21.

Thus ended the dances of the winter quarter—the liveliest and gayest part of the social season at Ohio Northern.

Glimpses by the cameraman at the various dances, a view of the social life on the campus. At the top left, the click of the camera caught two couples at the A. W. S. formal—Dane Heitzman escorting Kay Rosencrans and Freda Rickenbacker with Mac Cole. Next, at the Engineer's dance we see Dr. and Mrs. T. J. Smull and Wolford Hughes and his guest.

At a Theta Kap house dance the cameraman and his aids found Catherine Ferguson as the guest of Francis Solgas; also Dr. and Mrs. Miller, Chaperones.

A scene from the A. W. S. formal, two couples at a Delta Sig house dance and a "shot" from the Junior Prom completes the picture.

Below maestro Maurice Spitalny is autographing dance programs at the Junior Prom for Marjorie Conrad, Ann Jo Fawcett, Alice Cleland and Eva Davis.
